RE: RR 11L-07

Dear Mr. Jordan:

The Republican National Committee ("RNC") and I, as treasurer, respectfully request an extension of time to respond to the Federal Election Commission's notification of referral (RR 11L-07). The RNC received the notification of referral on April 15, 2011, making the response due on April 30, 2011, which falls on a weekend, with the next business day May 2.

We hereby request an extension of thirty-three (33) days or until Friday, June 3, 2011, to respond to the referral notification. The extension of time will permit us to thoroughly review the referral document, obtain and designate counsel for the matter, and collect other materials relevant for purposes of responding to the Commission.

Thank you for your consideration of this request. Please do not hesitate to contact me or RNC Chief Counsel John Phillippe with any questions at (202) 863-8638.

Sincerely,

Anthony W. Parker
